

Successfully Organizing a Productive Workflow

Have you ever been so focused on a work assignment that you lost track of time? That is many people's idea of personal and professional fulfillment. Not only is such work satisfying for the individual, but it also yields better results for the organization. In this interactive online course participants will examine the Flow Model, and how the model can help with being more productive.

Live Online Course

Course Length: 90 minutes

Course objectives:

- Identify the benefits of being organized.
- Recognize five habits of organized people.
- Define the Flow Model.
- Apply the Flow Model to improve flow experiences.
